INVESTMENT_{share}

The for the above described Sales Concept product required investment depends on the targeted market segment, expected sales turnover, required sales personnel and market potential.

The accordingly calculated investment will then be shared equally between GTV Global L.L.C. and our clients accordingly. Once the first sales target has been reached, the calculated investment will no longer be required, and the generated sales should cover all further requirements.

FEASIBILITY_{study}

Before investing in sales and marketing activities, we recommend a consolidated feasibility study, which will show the strengths and weaknesses of your targeted business in the UAE.
