## Bedding

Category: Pillows  
Duvets  
Bed linen  
Mattresses

Origin: Germany, China

With our wide range of products and materials, we offer high-quality beddings for projects and hotels customized to reach the best prices using the best materials from feathers, down, fibres and further materials out of our wide product range.

### INTRODUCTION & PRODUCTION FACILITIES

GTV Bedding was formed to deliver high-quality bedding products for the international hotel industry and retail chains through its partnered manufacturing facilities based in Europe & Asia. Our mission is to help and support our customers in selecting the best quality products, fulfilling top specifications by offering a competitive price.

Through our headquarters based in Dubai, UAE we are managing the marketing & sales activities in our region for our partnered production facilities based in Germany, Hungary, Switzerland and China. We are leading in the production of high-quality products. All our products undergo numerous quality checks for filling materials, and fabrics including the entire production process. Our partnered producers are always updating their used production technology and machinery to top standards, in order to satisfy our customers becoming more competitive. It would be a pleasure to arrange your visit to our factories in Europe and/or Asia.

Our products listed below are fulfilling the international certifications EN 12934, OEKO TEX Standard 100, NOMITE, International Down and Feather Laboratory & Institute, Global Organic Textile Standard, EDFA (European Down & Feather Association), RDS (Responsible Down Standard)

### DOWN AND FEATHER

#### DUVET

A well-chosen duvet will keep your guest cosy and sleeping soundly through the entire night. While some duvets are suitable all year round, most have different seasonal options based on warmth levels.

#### PILLOW

We have a wide selection of cuddly down & feather pillows filled either with goose or duck down and feathers in different qualities. The pillows generally have a soft, medium or firm level of support. We produce and customize based on our customer's specifications.

### SYNTHETIC FIBER

#### DUVET EXAMPLE

filling: 100% hypoallergenic polyester microfiber, gr. 120 sqm  
fabric: 100% pure cotton 190 - 233 TC  
construction: box-stitching, piping on the edge,  
square size: 20 cm  
washing: washable at 40°C

#### PILLOW EXAMPLE

filling: 100% hypoallergenic polyester microfiber gr. 800  
fabric: 100% pure cotton 190 - 233 TC  
construction: finished with double seam and piping on the edge  
washing: washable at 60°C tumbling resistant

### BED & BATH & SPA LINEN

Our product range of linen is designed for professional use in bedrooms, bathrooms and restaurants within the hospitality sector. Using the best raw materials, creating exclusive customized designs and the product knowledge of our team has enabled our factories to manufacture high-quality textiles for professional applications. This is the basis for our long-term business relations with our customers.

Our offered bed linen products include:

- Bed sheets
- Pillow & duvet covers
- Towels
- Bathrobes

## Beds

Category: Beds, bed frames  
Slatted frames  
Neck cushions  
Bedroom set

Origin: Austria, Hungary

High-quality materials, extremely durable surfaces, solid upholsteries and many variations and dimensions are customizable. Each bed gets its individual design and characteristics based on our customer's needs combined with the latest technologies.

### MANY VARIATIONS OF MATERIALS AND FUNCTIONS

**COLLECTIONS & MODELS:** Our products stand for quality that can meet all kinds of demands. The furniture's diversity of models and functions, as well as the large selection of precious fabrics, leathers and types of wood and metal in different colours and stain nuances, offer great freedom of creativity and design.

### THE DESIGN COLLECTION

Professional bedding, extraordinary alignment, exciting material combinations and clever details united in exquisite and contemporary forms. The stylish models prove the perfection of handcrafting and the highest quality demands and spread the flair of modern elegance and exclusivity in the sleeping room.

### THE BUSINESS COLLECTION

In commercial bedding, everyone's tastes are different. Therefore, our bed systems are very rich in variants too, so that all your needs can be satisfied in the best manner. Headboards, storage spaces, feet as well as high-quality fabrics and leathers can be combined in every possible way - there are nearly no limits to your creativity.

### THE EXCLUSIVE COLLECTION

Our beds are characterized by extraordinary alignment, exciting material combinations and clever details. We offer various styles, in many forms and sizes as well as a large range of the finest materials that allow optimal solutions to your preferences.

## Sofas & Seaters

Category: Single seaters  
Group seaters  
Meeting groups  
High quality leather categories

Origin: Germany, Austria, Italy

Finest materials, extremely durable surfaces, solid upholsteries and a powerful base made of European wood. Each piece of sofa gets its individual appearance, characteristics and functions from the latest technologies combined with the sound of handcrafting.

### INSPIRING DESIGNS COMPLEMENTED WITH SMART FUNCTIONS

**COLLECTIONS & MODELS:** Our products stand for quality that can meet all kinds of demands. The sofa's diversity of models and functions, as well as the large selection of precious fabrics, leathers and types of wood and metal in different colours and stain nuances, offer great freedom of creativity and design.

#### THE COMFORT COLLECTION

Professional seating, the Comfort Collection is characterized by maximum comfort paired with functional advantages and timeless modern design. Innovative gel elements inside the seating arrangements fit the contours of your body perfectly and offer soft support.

#### THE HOTEL COLLECTION

In commercial seating, there is hardly another material causing so much harmony, warmth and cosiness than wood. The Hotel Collection, therefore, combines precious timbers from regional sustainable forestry and high-quality upholstery materials with modern design concepts.

#### THE PROJECT COLLECTION

We are specialized in the production of hand-made seaters out of selected fine leathers and care in every detail, these are the key elements of our fine products.

Applications: Hotel room  
Lounge & Lobby  
Office & business centres
